

Vendor Questions and Answers, Amendment 2.

The following set of questions and answers were inadvertently left out of Amendment 1.

Question 1

Section L.5 shows the total estimate CPFF/FFP TO range which is stated as “including all transition costs, fees, ODCs, and Travel”. **Section C.6.1** shows the “Kick Off ” Meeting to include the Transition Plan under CLIN0001. Should we infer that Transition is under CLIN 00001 or is there another CLIN to charge transition costs?

Answer 1

The updated Transition In Plan is part of program management support and is included under CLIN x001. Specific transition implementation on CLIN x003 tasks shall be proposed and billed under CLIN x003.

Question 2

Section L.5 shows the total estimated CPFF/FFP TO range which is stated as “including all transition costs, fees, ODCs, and Travel” However, **Section B.7.1** lists CLIN X004, ‘through X006 as “Government to Enter Amount”. Without these amounts now, ensuring compliance to the TO range will be very difficult unless these costs are not part of the range. Could you please clarify?

Answer 2

Please see updated Section B Tables in Amendment One.

Question 3

Section C.6.3.12 through 16 presents DCFL tasks and subtasks incorporated into the Task Area 3 – Provide Systems Operation Support. **Section L.10.5.1** requires our presentation to include a general description of our approach applied to the task area requirements. Does the government desire the Presentation to include a separate DCFL discussion as is required for by Tasks 4, 5, 6, and 7 which align with directorates or to address Task Area 3 as specified and sequenced in **Section C.6.3**?

Answer 3

The offeror shall address all “the technical requirements as identified in Section C of this Task Order Request.”. Please See Change Page for change to paragraph L.10.5.1.

Question 4

Section L.8.1 states “The offeror shall provide a Project Staffing Plan Table in accordance with the Project Staffing Plan Table Template (Section J, Attachment N). The submission shall

contain all 24x7 on-call support. 24x7 and on-call support was removed from **C.6.2 Task Area 2** on page C-14. **Section C.4 - Current IT/Network Environment** on page C-4 references 24x7 operational availability, does the government require 24x7 on-call support for the IT Network environment?

Answer 4

The 24x7 and on-call support are covered under C.6.8 TASK AREA 8 -- PROVIDE DCFL FORENSIC EMERGENCY TECHNICAL SURGE SUPPORT (OPTIONAL CLIN 0003B).

Question 5

Section L.8.2, last paragraph states the contractor shall provide the .. and social security numbers of all personnel ... Do you mean to provide social security numbers only for the Key Personnel?

Answer 5

Yes. Please see change page for change to Paragraph L.8.2.

Question 6

Section J Attachment L, Does the government desire named staffing for the base year and all options years when we will not know whom we may hire in the out years?

Answer 6

Yes.

Question 7

Section C.3.3, page C-3, states "Support to DCITA is not a requirement of this Task Order (except for subtasks 8.3 and 8.4.1). Subtasks 8.3 and 8.4.1 are not listed anywhere in the TOR. Please clarify?"

Answer 7

This should have referenced subtasks 3.14.2, 3.14.3, and 3.15. See Corrected Paragraph C.3.3.

Question 8

Section J, Attachment B DD 254's Continuation DD Form 254: Security Guidance, "Item 10.k." discusses release of LES material requiring DCCI or DCFL Director approval, but doesn't include the NCIJTF-AG Director. Should we consider the NCIJTF in submitting the DD 254?

Answer 8

Yes.

Question 9

Section B.13.1 states incremental funding for CLINs 0003 through 0006 is currently allotted and available. Does this imply we need to consider that CLINs 0001(FFP) and 0002(FFP) are not funded?

Answer 9

No.

Question 10

Section C.6.3.14 should be C.6.3.15 to be sequential in the numbering system. C.6.3.15 is missing in the current numbering system

Answer 10

C.6.3.14 was corrected to be C.6.3.15. Please See Change Page for change to paragraph C.6.3.15.

Question 11

Section C.6.3.16 Subtask 3.16 should be C.6.3.15 Subtask 3.15 to be sequential in the numbering system?

Answer 11

C.6.3.14 was corrected to be C.6.3.15. :This paragraph should remain C.6.3.16.

Question 12

Amendment One referred to an “updated Organizational Chart” Attachment in Answer #56? Could you please provide it?

Answer 12

This was inadvertently left out of Amendment 1, Question 56. See Attachment.
